Playworks Corporate Kickball Tournament: “Not another rubber-chicken dinner fundraiser!”

Overview-

Corporate Kickball is an employee engagement event that brings employees together to play and promote teamwork. Your company will compete with other corporate sponsors in your city for the ever elusive traveling shiny golden trophy and the opportunity to bring healthy, inclusive and developmental play to over 100,000 children at low-income schools around the country. Portland’s will be held 12:30p-4:30p 6/17/11.

Structure-

Corporate Kickball is suited for teams of 8-15 employees and companies are allowed to have multiple teams playing. This is a half-day event that starts with lunch and socializing and then transitions into tournament play. Team entry fees range from \$1,500 for a team of 8-15 [\$1,200 for the first 4 paid teams before January 1st] to considerations for partial teams at \$800 or \$100 per person. Companies also have the option of sponsoring a team, being recognized at the event and Playworks will field the players if the company wishes.

Playworks staff plan and lead this fun and active engagement. Our staff are well-trained, enthusiastic professionals who bring the skills and experience necessary to get everyone involved in a fun, inclusive way.

Recognition Opportunities-

Playworks offers a unique opportunity for partners to get in the game alongside Robert Wood Johnson Foundation, Microsoft, Cisco, 24Hour Fitness, Salesforce.com, Old Navy, Bingham, Nike, Kaiser Permanente, and other leaders in the field.

Your company can capture still images and video documenting the play going on for placement on your company website. For Title Sponsors, Playworks would provide logo placement and recognition on Playworks website, annual report, newsletter and other collateral, as well as other recognition as appropriate. Sponsorship levels range from \$3,000 to \$10,000.

About Playworks-

Playworks is a national nonprofit organization that supports learning by providing safe, healthy and inclusive play and physical activity to schools at recess and throughout the entire school day. Playworks is the only nonprofit organization in the country to send trained, full-time coaches to low-income, urban schools, where they transform recess and play into a positive experience that helps kids and teachers get the most out of every learning opportunity. Our coaches introduce classic games that are disappearing from schoolyards as well as new games designed to build leadership and foster teamwork. When Playworks partners with a school, kids are more physically active, and they return to class focused and ready learn.

Playworks is in 15 cities across the nation, serving 250 schools and 100,000 students daily. 2010-11 represents Playworks’ second year in Portland, OR; we’ve grown to 14 schools and serve nearly 6,000 students daily with plenty of school district and community support to continue growing in the future. Join us in the movement!
