Play with a purpose at Playworks' Soiree for Play Colorado!

Playworks Colorado's annual **Soiree for Play** transports guests from the dinner table to the playground, bringing out the playful side in all of us. Our mission is to improve the health and well-being of children by increasing opportunities for physical activity and safe, meaningful play. By 2020, we hope to help 3.5 million kids in 7,000 elementary schools nationwide experience safe and healthy play every day.

100% of funds raised at **Soiree for Play** will support Playworks Colorado programs.

We currently serve 46,000 kids in 92 schools across the state and are determined to improve the social, emotional, and physical health of every child in Colorado.
