JUNIOR COACH LEADERS

Between Fall 2021 and Spring 2022, Playworks collaborated with Partnerships in Education and Resilience (PEAR) to collect data across 8 regions involving 710 4th and 5th graders in schools offering both Playworks' Coach program and Playworks' TeamUp program.

Junior Coaches completed the Holistic Student Assessment (HSAR) Retrospective Self-Change (RSC) survey which measures 14 social and emotional outcomes. Junior Coaches read specific statements and rated how they felt now compared to before becoming a Junior Coach.

CASE STUDIES

Play is an essential part in building safe and healthy communities where children feel connected and invested in the world around them. Playworks has partnered with organizations including the American Academy of Pediatrics and the Calder Center to evaluate our programs and results. We are happy to share those findings on our website with our community.
