

# Playworks Illinois 2022-23 Impact Report

24,649

Students experiencing  
the power of play

53

Illinois and Missouri schools  
and organizations receiving  
TeamUp and Pro services

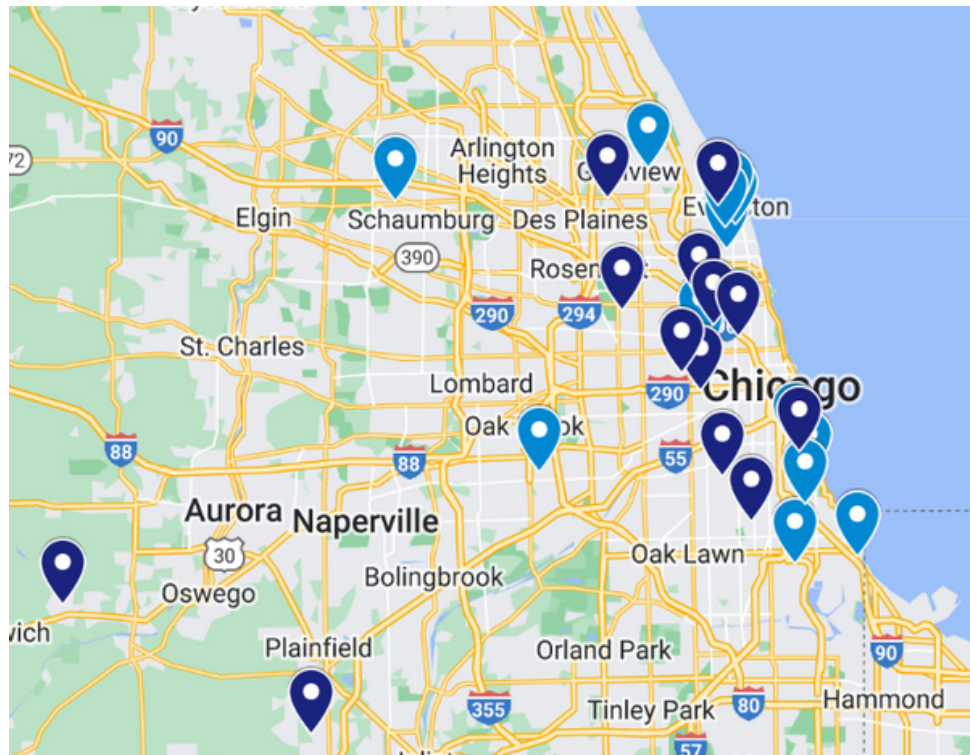

450

Educators & youth  
professionals trained  
statewide

## TeamUp Partners

*Playworks offers a part time direct service in partnership with local elementary schools in the Chicagoland area. Through these services, Playworks staff implement and facilitate our three components regularly: a high-functioning recess, Junior Coach Leadership Program, and instructional class game time with individual classes.*

# Pro Partners

From elementary schools, to youth development organizations, to afterschool program providers, Playworks Pro services build capacity for play that yields positive outcomes through hands-on trainings that empower and enable adults to create and maintain a great recess and play environments for their kids.
