

Play Day

Play Days are a fun, active team-building and community engagement experience that literally takes employees from the office to the playground. Playworks will engage employees in lively games that foster collaboration, teamwork, and personal growth.

1. Turn-key event, facilitated from registration to delivery by Playworks staff. All you and your team need to do is show up in your play clothes.
2. After learning some of Playworks' signature games, attention-getters, and conflict resolution strategies, employees fan out on the playground and assist the Playworks coach in facilitating recess games with kids.
3. Employees will engage in lively games that foster collaboration, teamwork, and flexible conflict resolution—skills as vital for children at school as they are for adults at work.
