Playworks is pleased to offer a PlayShop, an introductory workshop designed to empower you to transform your recess. The PlayShop will equip you with:

- Tangible group management and conflict resolution tools that can be implemented immediately
- An inspired understanding of how recess, play and physical activity can positively impact school climate
- A powerful perspective on the barriers students face when accessing healthy play and how adults can ease those challenges

This training is great for principals, classroom teachers, recess staff, parent volunteers and PE teachers!
