Junior Coach Leadership Conference

Saturday, June 3rd

Playworks Michigan hosted Junior Coaches across Michigan at Western Michigan University and Wayne State University campuses for our Junior Coach Leadership Conference. This annual event is held to celebrate all students who have taken part in the Junior Coach Leadership Program. Junior Coaches spent the day playing games, making new friends, and participating in leadership activities that will help them grow as leaders in their community. Our guest speakers included the WMU Public Safety's Captain Lillard, Western Public Safety K9 Unit, and WSU Deputy Athletics Director, Dr. Candice Turner.
