

Play Day

PLAYWORKS

Corporate Play Days are a fun, active team-building and community engagement experience that takes employees from the office to the playground. Playworks engages employees in lively games that foster collaboration, teamwork, and personal growth.

Playworks Corporate Play Day is a fun and active team-building volunteer activation that gets your employees to recess to work directly with children in low-income schools.

1. Turn-key event, facilitated from registration to delivery by Playworks staff. All you and your team need to do is show up ready to play.
2. After learning Playworks' signature games, attention-getters, and conflict resolution strategies, employees fan out on the playground and assist the Playworks coach in facilitating recess games with kids.
3. Employees will engage in lively games that foster collaboration, teamwork, and flexible conflict resolution—skills as vital for children at school as they are for adults at work.

Format:

- Suitable for 15-50 employees, can be scaled up to 100+.
- Typically 2 hrs, customizable.
