A Big Day for Young Leaders — and the Teams Who Back Them

On May 28, 600 Junior Coaches — 4th–8th grade student leaders trained by Playworks to lead games, solve problems, and build inclusive school communities — will come together for a high-energy celebration of their leadership.

These students lead every day at recess, creating safe, welcoming spaces where all kids feel like they belong.

See the impact in action — watch how Junior Coaches play, lead and inspire.

Pick Your Play: Two Ways to Join the Fun

Choose what fits your team — or do both!

Option 1: Show Up and Lead the Fun (Up to 50 volunteer spots)

Whether you bring 2 or 20, we'll match your team to a station that fits your vibe.

Choose your station style:

- 🌟 High-Energy & Playful – Games, relays, and the grand finale
- 🎨 Creative & Hands-On – Crafts, murals, and parade signs
- 📦 Behind-the-Scenes – Squad check-in, swag boxes, event flow

Option 2: Be a Supply Superhero

Joining us or not, host a low-lift supply drive to help fuel the day.

What We're Collecting:

- Sidewalk Chalk – 10-25 new packs
- Markers – 50-100 (new or gently used)
- Stickers – 10-20 full packs ([Like this](#) or [this!](#))
- Takis – 150 single-serve bags ([Like this!](#))
- Oreo Party Size – 15 packs ([Like this!](#))
- Swag – 100 to 300 non-fragile branded items (pens, stickers, coasters, etc.)

💡 Make it a department challenge — we'll pick up your haul!

Whether in person or from afar, we're glad to have you on the team.

- All team logos will appear on the CHS Field big screen with Junior Coach highlights.
- Logos will be featured in our official storytelling video.
- Teams that both volunteer and run a supply drive get a dedicated slide!
