

NO PANELS. NO POST-ITS. NO POWERPOINTS.

PLAYWORKS

**A different kind of leadership and team experience —
built for today's workplace.**

Playshop: Leadership in Motion

Playshop: Leadership in Motion is a one-hour active, movement-based experience that quickly reveals how teams communicate, collaborate, and lead together — without it feeling like traditional training.

See how your team actually works—together—in 60 minutes.

What Teams Walk Away With

- Clear insight into how your team works together
- Stronger trust and alignment across the group
- Practical insights leaders can use immediately

What's Included

- Professionally designed and facilitated **one-hour** experience
- Customized to your team's goals
- On-site session for up to 40 participants

Investment

Playshop: Leadership in Motion — \$3,000 per session

Your partnership supports youth leadership development in local Minnesota schools.

What Leaders are Saying

"It's rare to find something this energizing that also has real impact."

— Director, Optum Insight
