

HUNGRY FOX

- 1. Players stand shoulder to shoulder on the starting line in the safe zone.**
- 2. One player begins the game in the middle as Hungry Fox.**
- 3. The players then ask "Hungry Fox, Hungry Fox, what time is it?"**
- 4. Whatever time Hungry Fox says is the number of steps players take out of the safe zone towards the fox.**
- 5. If Hungry Fox says "it's lunch time", players must run back to the safe zone without getting tagged.**
- 6. If you are tagged, you become one of Hungry Fox's helpers and tag your friends.**
- 7. If you're the last player in the safe zone, then you become the Hungry Fox for the next round!**
