

I LOVE MY NEIGHBOR

1. Make a circle of cones, with one player standing behind each cone.

2. The person completes the sentence with a piece of information that is true for them.

Example: "I love my neighbor who was born in a different state, loves to play basketball, has a pet, is an only child, etc."

3. Everyone (including the person in the center) who this statement applies to moves from his/her cone to an empty cone. No one can move to the cone on either side of them.

4. The person who doesn't find a new cone gets a "Good Job, Nice Try!" and goes to the middle to begin the 2nd round.
