

# SHARKS & MINNOWS

- 1. “Minnows” stand shoulder to shoulder on one side of the playing area.**
- 2. A few sharks start in the middle.**
- 3. When the sharks call out the “Fishy Fishy, come out to play!”, minnows run to the other side of the area.**
- 4. Sharks try to tag the minnows using butterfly taggers.**
- 5. Minnows who don’t get tagged wait again for the magic words.**
- 6. If a minnow gets tagged, they become a shark and help tag the rest of the minnows.**
- 7. The last minnow becomes the shark for the next game!**
