

TRIANGLE TAG

1. This requires 4 players to play

- 1 Tagger**
- 1 Runner**
- 2 Defenders**

2. The Runner and Defenders hold hands to form a triangle.

3. The Triangle must rotate to keep the Tagger from tagging the Runner. Make sure to use Butterfly Fingers

4. The Tagger cannot go inside the circle and they cannot lean on the arms of the people holding hands. Once the Tagger tags the Runner, the positions change.
