X-SQUARE

1. There are 2 balls in play.

2. Square "A" serves the ball to Square "C" only, and Square "B" serves to Square "D" only.
  - OR Square "1" serves to Square "3", and Square "2" serves Square "4" only.

3. One Bounce, One Hit.

4. Game continues until the ball:
  - lands outside the square
  - bounces twice in same square.

5. If the play stops for one pair, the play still continues for the other pair.

6. If both balls hit each other, then ALL 4 players are recycled back to the line.
