Recess Reboot

SERVICE OVERVIEW

SERVICE OBJECTIVES + OUTCOMES

Recess Reboot is a consultative service in which a Playworks Trainer spends 4 consecutive days providing on-site modeling, collaboration and consultation while actively developing and empowering school communities to implement and sustain safe and healthy play at recess. By the end of the reboot, **Recess Staff* will be able to:

ACTIVATE

Activate learning while practicing and demonstrating the ability to facilitate safe and healthy play during recess

SUPPORT

Utilize learned techniques to support students at play, including Youth Leaders at recess

DESIGN

Develop a recess design and action plan for their school that aligns with the indicators of the Great Recess Framework

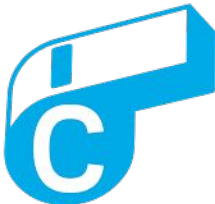

SUSTAIN

Implement and sustain recess systems and best practices on their own

** Recess Staff = adults overseeing and/or supporting recess, including the Recess Manager*
