Corporate Kickball is an employee engagement event that brings employees together to play and promote teamwork. Your company will compete with other corporate sponsors in Milwaukee for the ever elusive traveling shiny silver trophy and the opportunity to bring healthy, inclusive and developmental play to over 100,000 children at low-income schools around the country.

## Structure

Corporate Kickball is suited for teams of 12-15 employees and companies are allowed to have multiple teams playing. This is a half-day event that starts with lunch and socializing and then transitions into tournament play.

Playworks staff plan and lead this fun and active engagement. Our staff are well-trained, enthusiastic professionals who bring the skills and the experience necessary to get everyone involved in a fun and inclusive way.

# Recognition Opportunities

Playworks offers a unique opportunity for partners to get in the game alongside Robert Wood Johnson Foundation, Mattel, New Balance, Microsoft, Cisco, 24Hour Fitness, Salesforce.com, Old Navy, Bingham, Nike, Kaiser Permanente, and other leaders in the field.

Your company can capture still images and video documenting the play going on for placement on your company website. For Title Sponsors, Playworks would provide logo placement and recognition on Playworks website, annual report, newsletter and other collateral, as well as other recognition as appropriate.

# About Playworks

Playworks is a national nonprofit organization that supports learning by providing safe, healthy and inclusive play and physical activity to schools at recess and throughout the entire school day.

Playworks is the only nonprofit organization in the country to send trained, full-time coaches to low-income, urban schools, where they transform recess and play into a positive experience that helps kids and teachers get the most out of every learning opportunity.

Our coaches introduce classic games that are disappearing from schoolyards as well as new games designed to build leadership and foster teamwork.

When Playworks partners with a school, kids are return to class focused and ready learn.
